

## NonHazCity 2 (#X006) - Final Conference A networking event with other INTERREG projects addressing water quality and hazardous substance management

June 15-16, 2021

## **Draft Program**

Tuesday, June 15, 2021		
9:30 – 10:00 CET/		Virtual arrival to the seminar
10:30 – 10:00 CET/ 10:30 – 11:00 EET		
		Opening of the event
10:00 – 11:00 CET/ 11:00 – 12_00 EET	10 min	Opening of the conference - Welcome by Edmunds Cepurītis, Riga City Council Housing and Environment Committee Chairman
	25 min	Welcome and Interactive "Tour de Table" of the participating projects (Heidrun Fammler, Baltic Environmental Forum)
	25 min	<ul> <li>Greetings from</li> <li>Elena Kolosova, the INTERREG Baltic Sea Region Secretariat</li> <li>Eva Iveroth - EU SBSR PA Hazard</li> <li>Agnieszka Ilola, Union of the Baltic Cities, Secretariat of Sustainable Cities Commission</li> </ul>
		Session I: Water management and Occurrence of Hazardous Substances in the aquatic environment
11:00 – 12:30 CET/ 12:00 – 13:30 EET	1.5 h 60 min	Presentations from the projects NonHazCity1, RBR Reviving Baltic Resilience, MEDwater and HELCOM – new hazardous substance strategy (tbc)  Findings from Substance Screening at NonHazCity 1, Martyn Futter, SLU  Less particulates emission from diesel engine, RBR, Jan Hupka, GU, tbc  Pharmaceuticals in waste water, MEDwater, leva Putna-Nimane  New Hazardous Substance Strategy for HELCOM, Emma Undeman, SU - tbc
	30 min	Panel: What have we learned about the occurrence of hazardous substances in the aquatic environment from our projects?
12:30 – 13:00 CET/ 13:30 – 14:00 EET		<b>Break</b> Sorry, you have to make the coffee yourself
		Session II: Industrial waste water management and chemicals risk management tools for industry
13:00 – 14:30 CET/ 14:00 – 15:30 EET	1.5 h 45 min	Presentations from the projects BEST, HAZBREF and NonHazCity2  Guidelines for management of industrial wastewaters, BEST, Kajsa Rosqvist (Presentation) & Mari Joensuu (Panel), City of Helsinki  Hazardous industrial chemicals in the IED BREFs, HAZBREF, Janusz Krupanek, IETU  Including chemicals risk management into environmental management systems and standards (ISO/EMAS), NonHazCity 2, Robert Pochyluk, ISO ForumPl
	45 min	Panel: management instruments versus water purification – new tools for industries – will they help chemicals risk management?
14:30 – 14:45 CET/ 15:00 – 15:45 EET		Closing of the day: wrap-up and looking forward to the next day

Wednesday, June 16, 2021		
10:00 - 10:15 CET/		Welcome and introduction to the day
11:00 – 11:15 EET		
		Session III: What can Municipalities do?
		Moderator: Ingrida Bremere, BEF Latvia
10:15 - 12:00 CET/	1h 45m	Session III: Cities can do more than nations
11:15 – 13:00 EET		Presentations from NonHazCity and NOAH projects
	60 min	<ul> <li>Holistic planning combining stormwater management and spatial planning,</li> <li>NOAH, Ivar Annus, TUT</li> </ul>
		<ul> <li>Holistic and Sustainable stormwater management at municipalities, Nika Kotovica, Riga City Council</li> </ul>
		<ul> <li>Chemicals Action Plans as tools for prioritisation, NonHazCity, Arne Jamtrot,</li> <li>City of Stockholm</li> </ul>
		<ul> <li>Chemicals-Smart procurement as part of GPP policy, NonHazCity, Hannamaria Yliruusi, TUAS</li> </ul>
		➤ GPP guidelines and recommendations for Russia, NonHazCity 2, Ekaterina Stepanova, Ecological Union
	45 min	<ul> <li>Training programme for municipal Employees, NonHazCity 2, Audrone Alijosiute, BEF Lithuania</li> </ul>
		Panel: municipalities as key actors for hazardous substance management – how to empower them?
12:00 - 12:30 CET/		Break
12:00 – 12:30 CET/ 13:00 – 13:30 EET		<b>Break</b> Coffee or tea? Self-service
-		
13:00 – 13:30 EET		Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact
13:00 – 13:30 EET  12:30 – 14:00 CET/	1 h 30	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!,
13:00 – 13:30 EET	1 h 30 min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact
13:00 – 13:30 EET  12:30 – 14:00 CET/		Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea,
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel)
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel)  Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe,
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel)  Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU  How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & leva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe,
13:00 – 13:30 EET  12:30 – 14:00 CET/	min	Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel)  Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU  How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia  Interlinking chemicals, climate and circularity issues, Change(K)now & ChemClimCircle, Harri Moora, SEI-T tbc
13:00 – 13:30 EET  12:30 – 14:00 CET/	min 45 min	Coffee or tea? Self-service  Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & Ieva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia Interlinking chemicals, climate and circularity issues, Change(K)now &
13:00 – 13:30 EET  12:30 – 14:00 CET/ 13:30 – 15:00 EET	min 45 min	Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & leva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia Interlinking chemicals, climate and circularity issues, Change(K)now & ChemClimCircle, Harri Moora, SEI-T tbc  Panel: plastic material used/consumed by everyone and everywhere — does the end-user matter or do we need to wait for better regulation and production?
13:00 – 13:30 EET  12:30 – 14:00 CET/ 13:30 – 15:00 EET	min 45 min	Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & leva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia Interlinking chemicals, climate and circularity issues, Change(K)now & ChemClimCircle, Harri Moora, SEI-T tbc  Panel: plastic material used/consumed by everyone and everywhere — does the end-user matter or do we need to wait for better regulation and production?  Closing of the seminar
13:00 – 13:30 EET  12:30 – 14:00 CET/ 13:30 – 15:00 EET	min 45 min	Session IV: Plastic as emerging issue for discussion: microplastics, hazardous substances in articles & products, circularity and climate impact  Presentations from FanpLESStic-sea, NonHazCity, Change(K)now!, ChemClimCircle and LIFE AskREACH  Prevent microplastics before they enter the Baltic Sea, FanpLESStic-sea, Malgorzata Drewnowska )Presentation) & leva Putna-Nimane (Panel) Plastic as vector for Hazardous substances, NonHazCity, Martyn Futter, SLU How do people react? The #NonHazPlasticDiet goes around in Europe, NonHazCity & AskREACH, Kai Klein, BEF Estonia Interlinking chemicals, climate and circularity issues, Change(K)now & ChemClimCircle, Harri Moora, SEI-T tbc  Panel: plastic material used/consumed by everyone and everywhere — does the end-user matter or do we need to wait for better regulation and production?
